

IM / PERE Risk and Regulatory Fund Reporting Analyst (m/f)

Your future team

Capital Markets is our very own dedicated department, part of the Consulting and Advisory Investment Management (IM) and Private Equity Real Estate (PERE) practice , specialized in advisory and reporting solutions primarily for the asset management sector. Our missions include valuation of financial derivative instruments, delivery of risk, performance and costs analytics for investment funds, as well as risk advisory and regulatory risk reporting for investment funds. We also provide advisory quantitative expertise to the banking and insurance industry sector.

Your next challenge

- Work on high quality process standard in accordance with applicable regulatory requirements (AIFMD Annex IV, MMFR Article 37) for our Clients
- Start your client journey and grow your personal client management skills
- Develop project management skills through on-boarding of new clients
- Learn to manage and prioritize your daily tasks in a diversified and agile environment
- Make effective use of your analytical and IT skills to maintain and develop our reporting factory (regulatory updates, on-going improvement or clients' on-boarding)
- Be a key actor of your career by embracing and designing new ideas, processes, services...

Your skills

- Hold a Master's Degree / Bachelor's in Finance, Mathematics or Business Engineering
- Have an excellent command of VBA and Excel. SQL and relational databases are considered as strong assets
- Have a good knowledge of financial instruments
- Demonstrate an ability to read and understand Regulatory Laws and Directives
- Show excellent analytical and synthetic skills with a high attention to details
- Are able to demonstrate a structured approach to solving problems
- Demonstrate a client-oriented mindset with the ability to work under pressure and to meet tight deadlines
- Are fluent in English. French and/or German would be an asset

We want to hear from you! Join us and...

- Enhance your network in the Luxembourgish and international market
- Work with recognized market leading experts and be part of a dynamic team delivering cutting-edge solutions to our clients
- Team up with dynamic and energetic young professionals within a challenging and knowledge sharing environment
- Enjoy and promote diversity in our multicultural teams
