Internship in commercialisation

We are a real estate agency in Luxembourg specializing in commercial property rentals. We are looking for you as an intern (m/f/d) in the field of real estate, starting as soon as possible.

What to expect:

- Complete insight and **active participation** in our business operations - **from property acquisition to sales** or rental transactions.
- Involvement in the development and testing of **marketing and sales strategies**, as well as the creation of offer and presentation materials (e.g., exposés).
- Working with a **modern CRM system**.

Your profile:

- **Studies or training** in sales, real estate, economics, or related fields.
- Good language skills, at least verbally, in **German and French** (possibly also English).
- **Communication skills** and a high level of comprehension.
- **Willingness to put in effort** and resilience complete your profile.

What we offer:

- Comprehensive insight into the **daily operations of a real estate agency**.
- Sufficient **creative space** to apply and deepen your learned theory in practice, showcasing your skills.
- Free drinks and fresh fruit.
- Your own intern office with a sun terrace.
- Opportunities to continue your career with us after your internship.
- **Full-time internship**.
- Duration: **ideally 3 months**, short-term internships are available upon request.
