

The Webasto Group is one of the 100 largest suppliers to the automotive industry. With our innovative sliding and panoramic roofs, convertible roofs as well as trend-setting thermal, battery systems and charging solutions we create added value for mobility. We convince through a particularly strong sense of unity. Because our "we" is your special plus.

At Grevenmacher we make more than automotive glass. We make people's lives safer and more comfortable along their journeys. Every day, we unite as a team to deliver quality products and innovative solutions that earn our customer's trust and build lasting relationships.

We have an immediate opening for an:

Industrial Electrician (M/F/D)

Profile:

- You have a degree in electrical engineering and/or industrial electricity (BEP/Bac Technique/BTS)
- You have proven experience in industrial repair
- You will be in charge of the electrical maintenance of the site's industrial equipment.
- You are willing to work in shifts (4x8).
- You are autonomous, motivated and rigorous
- You speak French or English and German is a plus.
- You have proven skills in electrical engineering
- Any knowledge of variable speed and frequency drives is an advantage
- You have skills in automation (Siemens).
- You have excellent analytical skills and are able to take the appropriate initiatives to solve possible problems. (Troubleshooting)
- You like team work and you are reactive.
- You are available for shift work (depending on the needs of the company)

Role:

- You will have to respect the safety rules in force.
- Directly attached to the Team Leader of your maintenance team, working in continuous fire (4X8), you will be in charge of guaranteeing the maximum availability of the installations (electromechanical breakdowns, automatism, robotics)
- Ensure in priority the curative maintenance of all the installations of the site (Detection of breakdowns, anticipation of future breakdowns, breakdowns on stopped installations).
- Participate in actions to improve the installations.

The selected candidates will be offered:

- A challenging opportunity to progress within a growing company
- A pleasant working climate, favoring autonomy and personal initiative
- Increasing amounts of responsibility, in relation to experience and capability
- An attractive salary package, commensurate to achievements
- Unlimited employment contract

Our culture :

With the corporate ONE Webasto program, Webasto is shaping the future. We are inspired by the passion for our company and for a common culture in which we work together. To stimulate and strengthen this cooperation, our globally valid values for all employees have been created:

- Responsibility with a Long-Term View
- Passion for Quality and Innovation
- Hearts and Minds for Our Customers
- Embracing Cooperation and Improvement
- Courageously Optimistic
