

The Webasto Group is one of the 100 largest suppliers to the automotive industry. With our innovative sliding and panoramic roofs, convertible roofs as well as trend-setting thermal, battery systems and charging solutions we create added value for mobility. We convince through a particularly strong sense of unity. Because our "we" is your special plus.

At Grevenmacher we make more than automotive glass. We make people's lives safer and more comfortable along their journeys. Every day, we unite as a team to deliver quality products and innovative solutions that earn our customer's trust and build lasting relationships.

We have an immediate opening for an:

Industrial mechanic (M/F/D)

Profile :

- You have a degree in industrial mechanics or industrial maintenance.
- You have 3 to 5 years of experience in a similar position.
- You will be in charge of the mechanical maintenance of the site's industrial equipment.
- You are willing to work in shifts (4x8).
- You are autonomous, motivated and available immediately.
- You have proven skills in industrial mechanics (welding would be an asset)
- You have excellent analytical skills and are able to take the appropriate initiatives to solve any problems. (Troubleshooting)
- You like teamwork and you are reactive.
- You are available for shift work (depending on the needs of the company)
- You speak French or English and German is a plus.

Role :

- You will have to respect the safety rules in force
- Directly attached to the Team Leader of your maintenance team posted in continuous fire (4X8), you will be mainly in charge of the maintenance of our installations essentially made up of automated lines, as well as all the peripheral equipment.
- You will be in charge of preventive and curative maintenance of our machines, replacement of mechanical parts, wear control, adjustments.
- As a maintenance technician, you will prepare and anticipate scheduled interventions, fill in the tasks performed on work orders. You will be able to propose and carry out the improvements necessary to increase the reliability of the equipment.

The selected candidates will be offered:

- A challenging opportunity to progress within a growing company
- A pleasant working climate, favoring autonomy and personal initiative

- Increasing amounts of responsibility, in relation to experience and capability
- An attractive salary package, commensurate to achievements
- Unlimited employment contract

Our culture:

With the corporate ONE Webasto program, Webasto is shaping the future. We are inspired by the passion for our company and for a common culture in which we work together. To stimulate and strengthen this cooperation, our globally valid values for all employees have been created:

- Responsibility with a Long-Term View
- Passion for Quality and Innovation
- Hearts and Minds for Our Customers
- Embracing Cooperation and Improvement
- Courageously Optimistic
