

The Webasto Group is one of the 100 largest suppliers to the automotive industry. With our innovative sliding and panoramic roofs, convertible roofs as well as trend-setting thermal, battery systems and charging solutions we create added value for mobility time and again. And we convince through a particularly strong sense of unity. Because our "we" is your special plus.

At Grevenmacher we make more than automotive glass. We make people's lives safer and more comfortable along their journeys. Every day, we unite as a team to deliver quality products and innovative solutions that earn our customer's trust and build lasting relationships.
