

Shape your **experience**,
share your **success**

We - the ODDO BHF Solutions GmbH - are a recently founded and dynamic Business solution center in Saarbrücken. As a subsidiary of the German French ODDO BHF Group we support one of the leading private banks in Europe in meeting the needs of wealthy private clients, medium-sized private clients, medium-sized companies, and institutional investors.

Our mission is to offer forward-looking solutions and a high-performance range of services, thereby and thus make a significant contribution to the overall success of ODDO BHF. ODDO BHF Solutions GmbH stands for strong collegial cohesion as well as an active appreciation of diversity, acceptance and tolerance. With our strong parent company behind us, we have ambitious goals that we would like to achieve together with you.

For our **IT Governance** department, we are looking for you as our future

Internship/Working Student IT Governance in Saarbrücken

The IT Governance Team of ODDO BHF IT provides a structure for aligning IT strategy with business strategy. By adhering to a formal framework, we aim to achieve measurable results in the implementation of our strategies and objectives.

Exciting tasks await you:

- Assist in the development, implementation, and maintenance of IT governance framework to ensure compliance with regulatory requirements and industry best practices.
- Collaborate with cross-functional teams to assess and enhance IT risk management frameworks, contributing to the identification, analysis, and mitigation of potential risks.
- Support the preparation and execution of IT audits, ensuring adherence to audit plans and timely resolution of identified issues.
- Participate in IT governance meetings, providing input on the IT framework, risk assessments, and overall compliance with established standards.
- Stay updated on relevant regulations, industry trends, and emerging technologies, providing insights to enhance the IT governance framework.

That's what inspires us about you:

- Pursuing a degree in Information Technology, Computer Science, Business Administration or a related field.
- Strong analytical skills and attention to detail.
- Strong communication skills in English (French or German considered an asset).
- Ability to work independently and as part of a team.
- Proficiency in Microsoft Office applications.
- Eagerness to learn and adapt to a dynamic banking environment.

This internship provides a valuable opportunity to gain hands-on experience in IT governance within the financial sector, contributing to the bank's commitment to maintaining a robust and compliant IT organization.

What can you expect from us?

- A French-German working environment with flat hierarchies and open and transparent communication as well as short decision-making paths
- Start-up atmosphere with a lot of individual appreciation as well as the support and security of an established company
- Flexible working hours and the possibility of mobile working
- Room for personal and professional development
- Extensive, individual induction
- Cost coverage of a monthly ticket
- Free coffee/tea, soft drinks, fruits and Sodexo cheques

Further information

We would like to talk to you personally about the further details of your future job, our modern remuneration systems and the contractual framework conditions.

Please apply online via our parent company ODDO BHF with your relevant documents and a statement of your salary expectations.
